State of Ohio Orders, Restrictions, and Advisories

- Dr. Acton executed a Health Order directing all Ohioans to Stay at Home effective from 11:59 p.m. on Monday, March 23rd through May 1st, (copy of order can be found at coronavirus.ohio.gov)
- Governor DeWine recommends all Ohio residents suspend vacation travel
- The Primary Election in the State of Ohio has been postponed until April 28, 2020
- All K-12 schools are ordered closed effective, Monday, March 16, 2020 through the end of the school year.

Actions Taken to Date

- Governor DeWine has signed an Executive Order providing immediate unemployment benefits to all workers that do not have access to paid leave from an employer
- State of Ohio approved for the Economic Injury Disaster Loan Program through the U.S. Small Business Administration
- Established a single website to provide local information on community guidance to include testing protocols, resources, and closures and modifications to service delivery (<https://lucascountyhealth.com/coronavirusupdates/>)
- Established Lucas County Community COVID-19 Call Line, a 24/7 centralized phone number for the public to receive answers to clinical questions related to COVID-19
 - (419) 251-4000
 - (419) 291-5355

- A Donations Management System and Center has been established to accept and distribute donations
 - Established a landing page to direct donors to the appropriate place to provide their donation – Volunteer, Food, Financial Assistance, Goods (dontateTLC.org)
 - Linked this through our Health Department Coronavirus page as well
 - All donations of goods should be emailed to Donations@co.lucas.oh.us
 - Toledo Community Foundation is accepting financial donations to support the response to COVID-19
 - United Way is coordinating food donations and volunteers
 - All organizations in need of supplies, including PPE and other hard goods should submit a completed [213RR](#) form to eoc@co.lucas.oh.us. More information can be found at <https://donatetlc.org/requests>. Requests should only be submitted if supplies cannot be obtained through standard procurement channels.

Situational Awareness*

****New items are in red.***

- **The Governor established a plan to begin to re-open Ohio. The Stay-at-Home Order will remain in place and gatherings over 10 people will be prohibited. The plan allows medical procedures not requiring overnight stays to commence on May 1st. Manufacturing, Distribution and Construction as well as General Offices are permitted to reopen on May 4th. Retail is permitted to commence operations on May 12th but employees and customers are required to wear face coverings. Restaurants, bars, gyms, barber shops, and any other business not explicitly listed are to remain closed.**
- The Toledo Regional Chamber of Commerce in partnership with Toledo and Lucas County Economic Development and the Toledo Lucas County Health Department will be launching “Open for Business” **today, (April 28th)**, an initiative to prepare local businesses to safely resume operations in support of the Governor’s Roadmap to Recovery. The launch of this initiative has been delayed until after the Governor’s announcements on the State’s plan to begin to reopen businesses.
- The Toledo-Lucas County Health Department in partnership with Rite-Aid, Kroger, WalMart, and the Neighborhood Health Association announced four public testing locations today. Testing sites will include the Rite Aid location at Airport and Holloway in Springfield Township; Metroparks Hawkins Farmhouse; Nexus Healthcare Center; and Navarre Park Family Care Center. Each organization has agreed to share their testing results with the EOC so that we can track positive and negative tests. Rite Aid’s site has performed 911 tests in their first six days of public testing. Kroger’s site performed 435 tests over the course of their three days of public testing from Kroger show only 17 positive tests, for a 6% positive test rate. Testing at Hawkins Farmhouse will resume again with Walmart on Wednesday, April 29th. Between the two corporate partners, 1,492 public tests have been performed this week. **Neighborhood Health Association will be opened their test sites yesterday.**

- On April 22, the Ohio Department of Health modified its testing priorities for COVID-19 creating a new category “2-A” to allow for the testing of asymptomatic residents and staff in long-term and congregate care facilities with an outbreak.
- The Toledo-Lucas County Health Department in partnership with the hospitals has established a strategy to provide comprehensive testing and contact tracing of long term care facility residents.
- The Toledo-Lucas County Health Department secured a source (Quest) for universal testing of all Long Term Care Facility residents and staff. The approximately 6,000 tests should be administered by Friday, May 1st. The HMAC has requested to extend this testing resource to all Long Term Care Facilities in Region 1.
- Lucas County EMA has developed a geographic tracking tool for COVID cases in Long Term Care Facilities. The HMAC has asked to expand this tool to track COVID cases at all Long Term Care Facilities in Region 1.
- The Alternate Care Facility (ACF) Planning Committee has completed their ACF plan. On Friday, April 24th the HMAC established three activation triggers for the ACF: 1. Ten Hospitals utilizing 25% or more of their internal surge capacity; 2. COVID Hospitalizations increase by 10% or more for 7 days in a row; and 3. Predictive data showing bed utilization of northwest Ohio hospital exceeding 80% within 20 days. Activation of ACF will only be requested when two of the three distinct triggers reach defined thresholds.
- A non-congregate sheltering resource for first responders, health care workers, and the unhoused in isolation or quarantine is operational. There are currently ten individuals in the non-congregate shelter. In order to protect the privacy of these individuals, the location of the shelter will not be publicly disseminated.
- A sheltering resource for first responders not in isolation or quarantine but needing housing has been established. Currently, there are two first responders in this semi-congregate shelter.
- **The Luca County EOC will be further virtualizing operations effective on Monday, May 4th. Starting on Monday, May 4th, EOC briefings will be scaled back to Monday, Wednesday, and Friday at 10 AM.**

Resource Needs and Information Requests

The following significant resource needs and information requests have been fulfilled:

- Confirmed that TLCHD is reporting case numbers in the new State format
- Determined the number of staff necessary to conduct appropriate contact tracing
- Compiled a GIS map of long term care facilities within Lucas County.

The following significant resource needs and information requests are outstanding:

- Numerous PPE requests
- Temporal thermometers
- Confirm FEMA reimbursement eligibility for testing resources with OEMA.

- Request inventory and burn rates of N-95, face shields, and gowns in long term care facilities

Incident Objectives

Daily Objectives

- Establish Incident Action Plan by 1000 hours
- Distribute Situation Report to organizations
- Provide daily media availability at 1530 hours
- Encourage and support all organizations to plan and operate their own incident command branches and feed into the EOC via appropriate Liaison or ESF desk
- Receive, respond and fulfil resource need requests provided to the EOC
- Facilitate communication amongst all organizations
- Align and consolidate as best possible all public information through the Public Information Liaison
- Ensure accessibility of COVID-19 guidance to all Lucas County residents

The following objectives have been recently completed:

- Distributed information regarding application for FEMA Public Assistance for governments, hospitals, and non-profit organizations
- Established protocol for government offices, businesses, etc. for how to handle a positive COVID-19 case among their workforce, including contact and cleaning guidance.
- Obtained a call-in number for people with access and functional needs to report needs related to COVID-19 (419-885-5733)
- Identified current PPE needs of Lucas County long term care facilities that have a positive case of COVID-19
- Filed request with FEMA for an extension to Lucas County's request for reimbursement for non-congregate sheltering resources.
- **Provided support for launch of NHA public testing site**

Our top objectives for the next planning period are projected as:

- Establish a weekly PPE tracking tool that provides current PPE resources in hospitals, long term care facilities, fire service, and law enforcement as well as current supply chain.
- **Establish a strategy for the safe return of employees to work**
- **Distribute Ohio Department of Health PPE Cache**
- **Establish a strategy to provide testing to individuals residing in homeless shelters**

The following other objectives have been identified:

- Address the disproportionate impact of COVID-19 on communities of social vulnerability
- Support resource needs of the Board of Elections related to primary election
- Support the needs of persons with access and functional needs

Next Update

- The next Situation Report will be released on April 29, 2020

EOC Information

- Virtualized members of the EOC are operational daily from 0800 to 1800 hours
- Fire and Emergency Medical Service organizations asked to provide resource needs, information requests and regional objectives to Emergency Support Function (ESF) 4 desk in the EOC, which will be staffed by Battalion Chief Matthew Brixey
 - LCFireCOVID19@gmail.com
- Law Enforcement organizations asked to provide resource needs, information requests and regional objectives to ESF-13 desk in the EOC, which will be staffed by Lt. Phil Cook
 - LCLECOVID19@gmail.com
- All public information and messaging asked to be coordinated with the Public Information Liaison (Gretchen DeBacker)
 - gretchen.debacker@toledo.oh.gov
- All other organizational concerns to include resource needs, information requests and regional objectives asked to be funnel to the appropriate Liaison in the EOC, as identified below:
 - Michael Hart will serve as the liaison for municipalities, townships, independent governmental boards, and other local governmental organizations to include courts and the offices of independently elected officials within Lucas County
 - mhart@co.lucas.oh.us
 - Ben Pushka will serve as the liaison for the business community via the Chamber of Commerce; all local school districts as well as private and charter schools; community colleges and universities; non-profit organizations; and religious organizations that are located within or serve Lucas County
 - bpushka@co.lucas.oh.us
 - Doug Born will serve as the point of contact for businesses interested in production, logistics or transportation of goods in support of the response to COVID-19
 - dborn@co.lucas.oh.us
 - Caryn Maloney will serve as the liaison for all health care organization to include public, private and non-profit hospitals, medical facilities, behavioral health, nursing homes, long-term care facilities providers and organizations that serve these organizations and populations that are located within or serve Lucas County
 - cmaloney@co.lucas.oh.us
